

18
I commenced Survey of Section
Town North,
Range West.
County Surveyor.

This Survey set aside by order of Circuit Court

COURSE.	DISTANCE.	REMARKS.
Resurvey of South half of Section 7 in Town. 6 N. R. 6 W. State of Indiana } ss. Greene County }		
J. Jere. Hershey City Civil Engineer Vincennes Indiana		
You are hereby notified that you have been appointed by the Greene Circuit Court to make a resurvey of the lines in controversy in the case of Elias Edwards and Arch. Aikman V.S. Jeremiah B. Jenkins. John F. Mers. John H. Solomon et.al.		
March the 18 th has been fixed by the Court as the day to make said Survey.		
Witness my hand and the seal of said Court this 12 th day of March 1884		
(Signed) Henry Gastineau Clerk Greene Circuit Court		
Pursuant to receiving the above notice of appointment I proceeded on the 18 th day of March 1884 to make said resurvey as follows to wit		
With Lemuel Powell and Theodore Mitchell sworn to carry the chain and George Combs sworn to carry the flag		

Corners Established.	Monument.	Bearing Trees.	Diameter in Inches.	Course.	Links Distant.
Began at the Stone being the original 1/4 Section on the South side of said Section 7 in Township 6 North, Of Range No. 6 West original Elm 15 inches lying down best original position easily ascertained.					
Thence West (or 1.30 E) 47.33 chains to an old stone, claimed as the South west corner of said Section 7 and being 43 links North and 82 links west of a stone set by Parker for said corner					
I then began at a stone the South west corner Section 19 Town. 6 Range 6 being an undisputed corner.					
Thence North (or 3.45 E) in center of highway at 80.33 chains passed a stone by Mr. Parker for N.W. corner of section 19. 46 links to my right 120.89 chains a stone 6 links on my left. 160.85 chains to the old Stone claimed for Southwest corner Section 7					
Began at said old stone. Thence North (or 3.45 E) 22.60 chains passed a stone by Mr. Parker for corner Sections 12 & 13 T6 R 7. 83 links on my right. 63.84 chains 1/4 Section corner on East side said Section 12 White Oak 26 N 50 E 32 links distant. standing, this tree is undoubtedly the original bearing tree for this corner but showing no sign of having been marked. The Hickory standing Southwest was according to Mr. E. Edwards dead but still standing about eleven years ago with the bearing marks plain -					
at 75.50 chains passed a stone by Mr. Parker (44 links on my right) for N.W. corner section 7					
77.50 chains a post by Esterbrook for N.W. corner of Sec. 7					
105.00 center of road. 105.50 chains a point 23 links on my left claimed as the Northeast corner of said Section 12					
at this point a white oak stump of what was claimed as the bearing tree standing N 45 W 5 links from the corner still shows to have been cut into logs ago and somewhat grown over and may have been the original bearing but it is uncertain or not definite.					
This last line was run almost entirely through the fields and no live trees were standing but just before reaching the N.E. corner of Section 12 several stumps were pointed out to me by Mr. Edwards as having once been plainly marked live trees.					
I then began at the 1/4 Section corner on the South
